Dear Friends,

We are organizing **LIVE WORKSHOP** of basic & advance Interventional Pain management Procedures at New Delhi. This live workshop is designed for everyone to experience & practice fluoroscopic/Ultrasound/CT guided/ Endoscopic interventional pain procedures. The purpose of the workshop is to assess, assist & convert theoretical pain specialists into practicing ones with good knowledge & high practical skills with moto of "PAIN RELIEF IS HUMAN RIGHT" & our duty.

There is eight days capsule of dialectic lectures, Mannequin Hands on workshop & live patients procedures. you can contact and register for it at the earliest. Send me your CV to assist you better. There is a provision for accommodation & meals on prior booking.

Note: Course is limited to 15 participants on first come first basis for hands on workshop.

The Dates, Venue & fee for eight days capsule is mentioned in table below. You can send me your preferences and can pay by NEFT/Cash/Bank Draft/Deposit Cheque to the bank account. Details undermentioned.
